Dear Friends, At IIT Ropar, the Alumni Relations Association seeks to foster lifelong connections by engaging the alumni with the Institute and with each other in activities, programs, and services that support the Institute's mission, vision and satisfy alumni needs. The association exists to help our alumni and, by extension, the Institute itself. The world gets more complicated with every passing day and year; as a result we lost touch with our close friends. The Institute intends not only to kindle the feeling of nostalgia among its alumni, but also to provide an opportunity to its alumni for the pride and satisfaction of contributing to the progress of the Institute. We always wish that our alumni go far beyond the boundaries of IIT Ropar to lead the alumni of the entire IIT system. We dream of a Pan-IIT Alumni Forum that will help in bringing synergy in making concrete inroads to strong relationship between the Institute and the students. We recognize, acknowledge, and embrace our alumni as fundamental stakeholders in the development of the Institute and to take it to even greater heights. Let us stay connected, participate in and support the programs, services, and numerous campus activities and events. We also hearten each alumnus friend to be a brand ambassador in his/her domain, by assisting with the recruitment of students and by supporting programs, thereby investing your time, talent, and treasure with us. Stay connected.... Stay Safe.... Take part ..... Join hands with IIT ROPAR..... Let's build a better tomorrow..... Prof. Rajeev Ahuja Director, IIT Ropar

Director's Message.
